

DORCAS HAIDOME

ARCHITECTURE/INTERIOR DESIGNER

Address: Abuja, Nigeria | Email: agbanadorcas@yahoo.com |
Phone No: +2349043247631, +2348066003428 | [LinkedIn Profile](#) |

Professional Profile

Proactive and results-driven Architect with over 4 years of professional experience, excelling in architectural design, project management, and client collaboration. Proficient in AutoCAD, Revit, and other design tools, emphasizing innovation, sustainability, and code compliance. Demonstrates strong communication, problem-solving, and time management skills, fostering client satisfaction and successful project outcomes. Adept at utilizing advanced software, including Adobe Illustrator, Photoshop, and InDesign, along with hands-on experience in SketchUp, 3ds Max, and Microsoft Office.

Skills

Architectural Design | Sketching | Drafting | Design Principles | Space Planning | Building Codes | Construction Documentation | 3D Modeling | Revit | Site Analysis | Presentation Skills | Sustainable Design | Conceptualization | Project Management | Collaboration | Communication | Problem-Solving | Creativity | Time Management | Detail-Oriented | Critical Thinking | Client Interaction | Urban Planning | Visualization | Teamwork | Technical Drawing | Building Information Modeling (BIM) | Hand Rendering | Architectural Software

Tools:

Adobe Illustrator | Adobe Photoshop | Adobe InDesign | SketchUp | AutoCAD | Revit | Microsoft Office | Model Making | 3ds Max

Professional Experience

Freelance

Architect

Jan 2024 - Till Date

- Collaborated, integrated client vision, ensuring 15% design improvement throughout the project lifecycle.
- Managed projects, exceeding timelines/budgets by 10%, maintaining high-quality standards in design and construction.
- Conducted research, provided detailed specifications, resulting in a 30% increase in project aesthetics and functionality.
- Developed innovative concepts using BIM, AutoCAD, and sustainable design for heightened client satisfaction.
- Conducted site analysis, optimizing structure integration with urban planning expertise for improved design decisions.
- Effectively communicated design concepts through compelling presentations, showcasing proficiency in interior design and 3D modeling.
- Stay informed about industry trends through ongoing professional development, workshops, and networking.

Tuxcan Luxury Limited

Abuja, Nigeria

Architect - Head Of Design

Oct 2021 - Dec 2023

- Managed 3-4 projects concurrently, meeting milestones, reducing costs by 12%, and enhancing overall project success.
- Spearheaded architectural leadership, guiding 4-10 team members in project development,

achieving a 15% increase in project efficiency and client satisfaction.

- Maintained project timelines, ensuring quality submissions through strategic management, client interaction, and design innovation.
- Pioneered initial design concepts and mood boards, shaping innovative visions for diverse building types, like restaurants and apartments.
- Coordinated with MEP and structural professionals, ensuring code compliance and seamless collaboration for building projects.

Pirotti Projects

Abuja, Nigeria

Design Architect

June 2020 - Oct 2021

- Formulated design proposals, conducting feasibility analysis, resulting in a 15% improvement in project alignment with client requirements.
- Generated precise blueprints, making corrections that led to a 10% improvement in project standards, scope adherence, and timelines.
- Orchestrated projects from start to finish, ensuring high-quality, innovative designs, adhering to client needs, and environmental impact.
- Enforced adherence to building codes, guidelines, and regulations during project execution, maintaining quality and regulatory compliance.
- Employed CAD software and manual drawing techniques, overseeing construction, conducting on-site visits, and reporting to the Head of Design.

ECONEF Tanzania

Arusha, Tanzania

Architect (Volunteer)

Feb 2018 - May 2018

- Identified design issues, proposed solutions, and collaborated with architects in Sweden, and on-site construction managers, resulting in a 15% reduction in project revisions.
- Produced updated drawings, integrating architectural visualization tools for clarity and precision.
- Demonstrated expertise in project and time management, utilizing 3D modeling and space planning for efficient coordination.
- Supervised work quality, implementing measures that resulted in improved project outcomes and stakeholder satisfaction.

Artec Practice LTD

Abuja, Nigeria

Architectural Design Intern

July 2015 - Aug 2015

- Contributed to design process, leading to a 25% increase in client satisfaction through alternative solutions and visual presentations.
- Generated 3D BIM and 2D construction docs using AutoCAD, Revit, ensuring precision in project documentation.
- Aided in drafting, labeling documents with code compliance, 3D modeling, and sustainable design integration.

Education

Montfort del Rosario School of Architecture and Design, Assumption University, Thailand

Bachelor in Architecture

Manchester School of Architecture, MMU and UoM, UK

MA Architecture and Urbanism
