SUMMARY

To obtain a position at a respected organization and utilize the educational qualifications I've obtained at Durban University of Technology. I am seeking a role which continues me to learning and perfecting my skills as I provide high quality work and encourages me to flourish. As an Interior Designer, my main focus is human experience. I'm all about creating beautiful spaces while keeping the aesthetics important. I would like to gain experience in learning about people who would always be using a space to make sure the space speaks to their soul.
